

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, M. Vaccaro has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from -----
----- "The Gus de Flon Spring" -----
through the Vaccaro ditch, pipe-line, flume (and ditch) for
irrigation, ~~power~~ stock () and domestic purposes, the point of diversion named in said
application being as follows: at the spring from which U. S. Mineral Monument No. 8
in Secret Canon Mining District bears S 3°1' E, 9945 feet distant and
from which U. S. Mineral Monument No. 12 on top of Prospect Mountain and
located in the Eureka Mining District bears N 16°59' W, 7267 feet
distant, - and -----, situated in Eureka County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of
1907, has determined the amount of such appropriation as follows:

Name of appropriator M. Vaccaro

Postoffice address Prospect, Eureka County, Nevada

Amount of appropriation 0.025 cubic feet per second

Date of appropriation January 21, 1909

Description of irrigated land A small piece of garden containing an area of
0.23 of an acre and located 250 feet east of the source of the spring.
The water for the irrigation of this land is conveyed through a one inch
pipe for 200 feet of the distance, thence through a small ditch for the
remaining 50 feet.

Description of use other than irrigation The water is conveyed from the spring through
the one inch pipe mentioned above for a distance of 200 feet, at which
point there are two half barrels which conserve sufficient water for
stock purposes. The surplus water from these barrels flows through
a small ditch on to the garden previously mentioned.

The right to water hereby determined is limited to Irrigation, Stockwatering, and
Domestic Purposes, and the use is restricted to the place where acquired and to the
purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for
which appropriation is herein determined. Continued title to water depends upon beneficial use of water
appropriated.

IN TESTIMONY WHEREOF, I W. M. KEARNEY, State Engineer of Nevada, have hereunto

set my hand and the seal of my office, this Third day of

February, A. D. 1913.

W. M. Kearney
State Engineer
